AMO

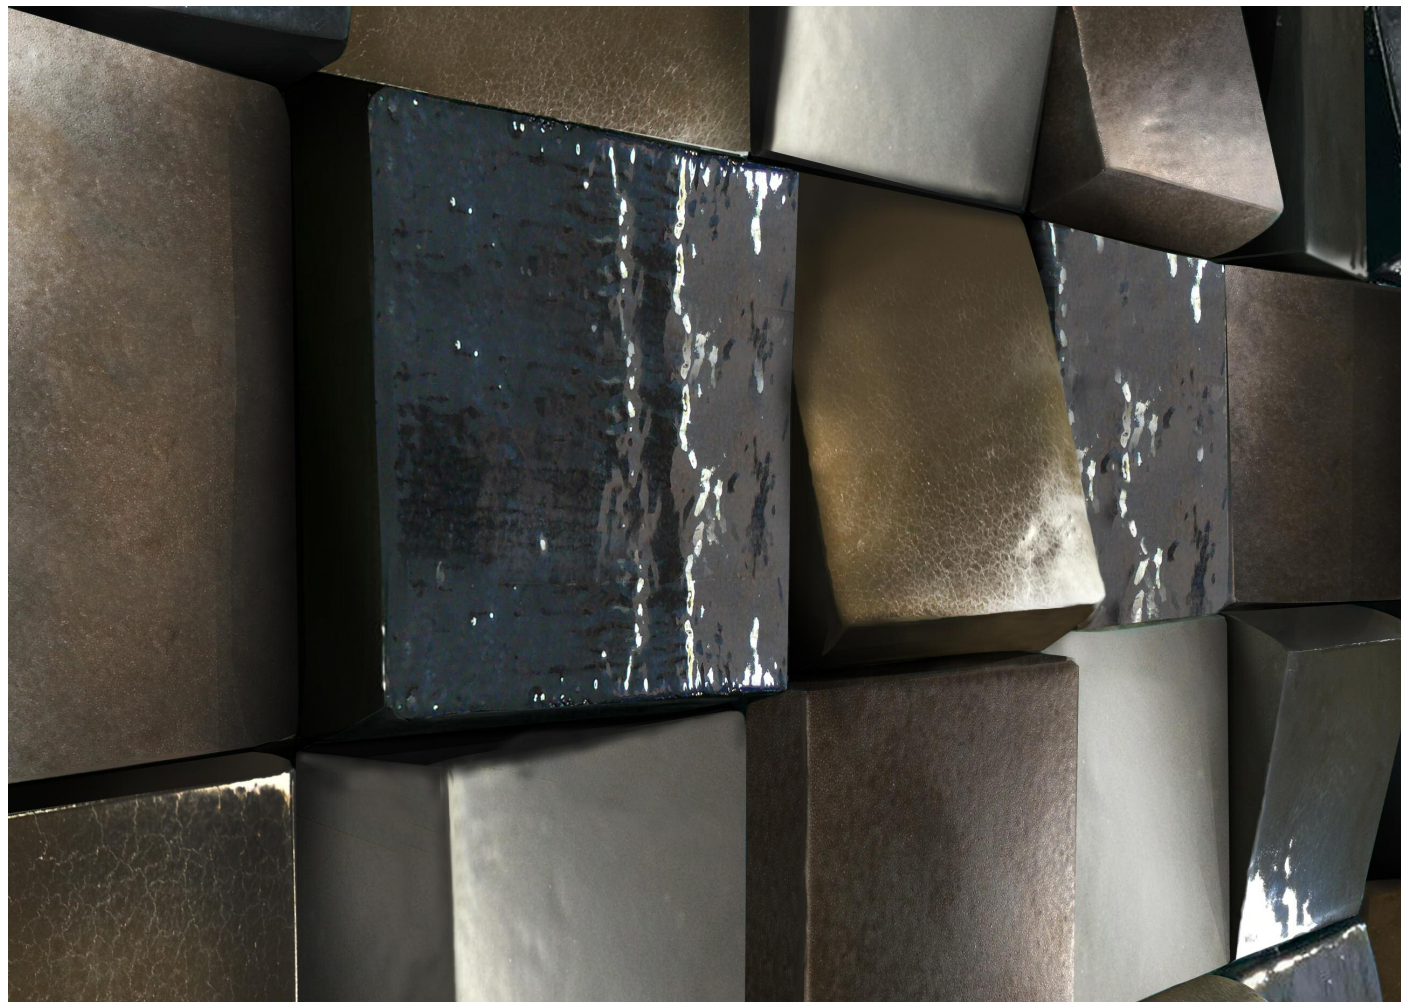

AMO racconta l'emozione del mare, i suoi colori, le sue profondità, il movimento e il luccicare mutevole delle onde. I moduli dalle linee pulite ed essenziali, grazie ai loro volumi e agli smalti super lucidi, creano un forte gioco grafico che spezza la luce, la riflette e la modella, giocando con la superficie, come fa il vento quando accarezza il mare increspato.

AMO tells the emotion of the sea, its colors, its depths, the movement and the changing shimmer of the waves. The modules with clean and essential lines, thanks to their volumes and super-glossy enamels, create a strong graphic game that breaks the light, reflects it and the model, playing with the surface, like the wind does when it caresses the choppy sea.
